NOVEMBER 9–10 NATIONAL CALL-IN

How to Participate

STEP 1

Open VFW's Action Alert.

Visit https://www.votervoice.net/VFW/Campaigns/140412/Respond.
You may have already used this link to send a written message to Congress. Beginning Monday, November 9, you can return to the same page to make phone calls.

STEP 2

Select the Phone-Call Option.

Choose the option labeled **"Phone Call"** to contact your congressional offices.

STEP 3

Find Your Congressional Offices.

Follow the prompts to identify your legislators. The action alert will display the congressional offices you can contact, their phone numbers, and VFW's recommended script.

STEP 4

Make Your Calls.

Call the offices listed and use the provided script to explain why you are contacting Congress. You may speak with a staff member or be directed to voicemail. Either way, you can deliver the message. You do not need to memorize the script. Read it directly from your phone or computer, or put the request into your own words.
