

Facebook Tips for An Active and Awesome Auxiliary Page

UNWAVERING SUPPORT

FOR UNCOMMON HEROES™

When it comes to social media, not all platforms are created equal. However, Facebook is a must - especially if you do not have an Auxiliary, District or Department website!

Most social media experts suggest you post AT LEAST once or twice per day to Facebook. How do you have time for that? How do you come up with that much stuff to post? It can be overwhelming - especially with all the other responsibilities and duties you have!

Below are some best practices and helpful tips. Use these ideas to help you generate content and keep your Auxiliary, District or Department Facebook page active and awesome!

- **Have two or three people in your Auxiliary, District or Department be an Administrator of the Facebook page** (ex: President, Senior Vice-President, Junior Vice-President, Secretary, Historian, a social media savvy member, etc.)
- **Upload a great Cover Photo and Profile Picture.**
 - A Cover Photo is horizontal (across). Pick a photo that was originally horizontal for your Cover Photo.
 - A Profile Picture is square. Pick a photo that was originally square for your Profile Picture.
Tip: Do not use a photo of your Auxiliary, District or Department President as the profile picture.
- **Review the “About” section. Does it need to be updated?**
 - Address of the Auxiliary, District or Department (NOT your personal address)
 - Phone number of the Post, District or Department
 - Email of the Auxiliary, District or Department
 - Website of the Auxiliary, District or Department (if applicable)
 - Company Overview
 - Story
- **Facebook Web Address (unique URL)**
 - Know your Auxiliary, District or Department’s Facebook URL, i.e. the Facebook web address. (<https://www.facebook.com/VFWAuxiliary> - this is National Headquarters)
Tip: Add the Facebook web address to all Auxiliary, District or Department communication. Include a hyperlink in your email signature; list it in newsletters, promotionals, dues notices, etc.

- **Have a Plan!** Think about everything going on in your Auxiliary, District or Department in the next three months and develop a plan/schedule for posts. List events, meetings, etc. on a calendar so you can see what's coming up. You can even schedule Facebook posts in advance on your Auxiliary, District or Department page to save time.
 - What to Post:
 - Stories of how members/Auxiliaries in your Department are making a difference in their community and the lives of veterans and their families. *Tip: Photos and/or videos are a must and are relatively easy to obtain with the extensive use of smartphones.*
 - Member of the Week/Month *Tip: Highlight a member each week/month.*
 - Question/Conversation starter – ask members for their opinion or to share their member experience. *Tip: Reply and “like” comments!*
 - Event promotion. *Tip: Create an event page members can share to invite others.*
 - Photos of events that took place.
 - Links to Department forms, program book, etc.
 - Share posts from:
 - National Headquarters
 - VFW National Headquarters
 - VFW National Home for Children

Maintaining an active and awesome Auxiliary Facebook page can seem overwhelming, but having multiple administrators, developing a plan and scheduling posts in advance will help this method of communication and publicity become easier.
