

FACEBOOK PAGE INFORMATION NOTICE

Facebook has recently made changes to its website and app that impact the way we set up and manage Pages, including when using the Meta Business Suite.

VFW Auxiliary National Headquarters needs to give our staff time to familiarize themselves with these changes and create new “how to” guides. Look for these after National Convention has concluded.

In the meantime, if you have any questions regarding your Auxiliary Facebook page, contact Nicole Panteleakos at npanteleakos@vfwauxiliary.org.
